DISPENSES  
CERTIFIED PAPER

- **REDUCED CONSUMPTION**

Consumption under control, thanks to the single-sheet dispensing. L-ONE systems dispense one single napkin each time.

- **RESPECT FOR THE ENVIRONMENT**

The dispensers contain ecological certified napkins to guarantee the quality of the paper with respect for the environment.

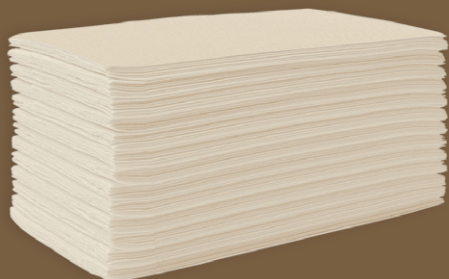

- **MAXIMUM HYGIENE**

Clients come into contact with only one napkin at a time.

## NAPKINS.

L-ONE dispensers contain certified environmental friendly napkins.

FROM RECYCLED CELLULOSE FIBRES  
PRESENT IN BEVERAGE CARTONS...

Interfolded Eco Natural Lucart 216TI napkins -  
Ecolabel certified.

Ecolabel brand certifies that the products during the whole life span, respect rigid criteria of European Union environmental standards: reduction in water pollution, reduction in atmospheric pollution, reduction of greenhouse effect gases and low electricity consumption.

FROM CERTIFIED CELLULOSE...
