IN RESTROOM: MAXIMUM RESPECT FOR THE ENVIRONMENT

THE TOILET PAPER SYSTEM THAT REDUCES WASTE AND PROTECTS NATURE.

- The system dispenses one at-a-time sheet to optimize paper consumption.
- Lucart Professional EcoNatural toilet paper protects the environment, since it has been made by recycling cellulose fibres from beverage cartons.

Ecolabel is the ecological quality label that guarantees the respect of severe criteria for the protection of the environment required at an European level: low water and air pollution, low greenhouse gas emissions and electricity use.

> MAXIMUM HYGIENE
Users touch only the sheet they use.

> LESS CONSUMPTION
Single-sheet dispensing reduces waste.

> IN KITCHEN: MORE HYGIENE, LESS WASTE

THE COST-EFFECTIVE DISPENSER FOR KITCHEN.

- Suitable for food contact.
- Ideal for using in food preparation areas as blue colour is easily visible and identifiable in food.
- Single-sheet dispensing system ensures minimal waste.

PEFC is the forest certification that guarantees the correct environmental management of forests from which cellulose comes.
